Hey Everybody!

Taking a little break from new material this week to give everyone time to catch up.

This week, make sure you fill out a practice record AT THE END OF THE WEEK so you can give me your total practice minutes. Aim for 1 hour total.. that's 10 minutes daily, 20 minutes 3 times, etc.

Everyone must complete the rhythm quiz. Use Essential Elements and your music to help you.

Participate in the virtual Can Can challenge. Submit your fastest time and see if you can beat me! Use smart music to practice and my tutorial to help you.

1. **FILL OUT THE PRACTICE RECORD IN TEAMS.** How many minutes did you practice? Which tools did you use? Make sure to fill this out at the end of the week so the total reflects the work you did during the week of April 20-24.
2. **TAKE THE RHYTHM QUIZ (in teams).**
3. **PARTICIPATE IN THE VIRTUAL CAN CAN CHALLENGE.** Practice playing Can Can (#92). Use smart music and my tutorial to help you. See how fast you can go and post your fastest time! Watch my video and see if you can beat me. 😊
