**Objectives**

Objective / I Can: Review Note Reading skills; Label and identify notes of the G major scale; Create an account in smart music. I can identify notes on a music staff; I can log in to smartmusic; I can watch a you tube video introducing a new song and practice independently.

**Activities**

## Baker Orchestra Outreach Learning March 30-April 3, 2020

### Student Activities:

Go to [Baker Orchestra Teams Folder](#) (Baker Orchestra). Look for assignment: BAKER ORCHESTRA – WEEK 2

Hey Everybody!

Two main things this week. We are going to try using a music software called Smart Music to help us learn during this time apart. You may have older siblings or friends in band or orchestra at the junior high that are familiar with this program, so ask them for help if you need it as well! This web based application will allow you to create an account and practice from Essential Elements! If you don't have your instrument or music, you can still create an account and follow along with the music we're working on.

This week I've posted a video tutorial for Baa Baa Black Sheep out of Essential Elements. I chose this one for our first song because it's very similar to Twinkle Twinkle Little Star and most of us have heard it before. It's also right where we left off in our books before this **extended** Spring Break! Here are the activities you need to do to complete the work this week.

1. **LOG IN TO SMART MUSIC** <https://admin.smartmusic.com/join>.

Enter your e-mail and our class code, which is CRA7M-AHKRR. Set up an account and follow the instructions to activate the account. Once you have confirmed your account, you'll be taken to our class page. On our class page, there's one assignment, Baa Baa Black Sheep. Click Start, then select your instrument. A box will pop up on the screen which will give you some instructions - read and click close. Then, you'll see the exercises straight out of Essential Elements. Press play to hear the example played through – you can practice as many times as you want! When you're ready, record

yourself playing and submit.

2. **WATCH MY YOU TUBE TUTORIAL** linked under the heading Welcome to Baker Orchestra Distance Learning header in teams, which is me teaching you using our class steps and giving a few hints. The nice thing about having a video is if you want to stop, pause, go back and listen again, you can!
3. **TO BE GRADED – CHOOSE 1**

**Option 1** -submit a recording of performance in smartmusic.

**Option 2** – Join our class flip grid! Look for the header labeled white 7495 in our teams folder. All you need to enter is your school e-mail and our grid code, which is white7495. Upload a short video of you playing Baa Baa Black Sheep and submit. Or, follow this [flipgrid sign-up link](#) to the flipgrid main page.

**Option 3** - IF FOR SOME REASON you have technical difficulties (it happens), take a short video and e-mail it to me at [whiteca@lpisd.org](mailto:whiteca@lpisd.org).

4. **FILL OUT THE PRACTICE RECORD IN TEAMS.** How many minutes did you practice? Was it hard or easy to practice with smartmusic and with the you tube tutorial?

**IF YOU DO NOT HAVE AN INSTRUMENT:**

**Baker Orchestra Outreach Learning**  
**March 30-April 3, 2020**

1. Complete this music theory challenge labeled Week 2 – Note Reading Challenge
2. Fill out the You Tube music survey in teams.

**Academic/Instructional Support**

Schedule:

Office Hours

Send me any questions via e-mail (preferred) or teams. I'll be posting some step by step tutorials when we start learning some new songs!

*I'll answer e-mails immediately DAILY 1:30-3:30 PM. E-mail [whiteca@lpisd.org](mailto:whiteca@lpisd.org)*

**To Be Graded**

Assignment for students to submit to TEAMS Folder:

1. Recording or video of Baa Baa Black Sheep – submitted via smartmusic OR flipgrid OR e-mail to [whiteca@lpisd.org](mailto:whiteca@lpisd.org)
2. Practice Record form in teams under assignments tab.
