

Tips for Promoting Learning at Home

- Establish a study area free of clutter and distractions.
- Set a daily time for learning and keep routines consistent.
- Help your student create to-do lists. Write down everything that needs to be completed by due date.
- Be sure to stay connected to your child's school, read all communications that are sent out.
- Reach out to your child's teacher if you have content-related questions or are concerned about your child's ability to keep up with assignments.
- Provide encouragement. This is new for everyone and there is a learning curve for all involved. Praise your child's efforts and encourage them to work hard.
