Go to [Baker Orchestra Teams Folder](#) (Baker Orchestra). Look for assignment: **BAKER ORCHESTRA – WEEK 8**

Hey Everybody!

This week, **make sure you fill out a practice record AT THE END OF THE WEEK** so you can give me your total practice minutes. Aim for 1 hour total.. that's 10 minutes daily, 20 minutes 3 times, etc. If you do not have your instrument at home, tell me how much time it took you to complete the assignment.

Songs to review: #64 D major Scale; #72 Buckeye Salute; Song of the Wind

Doing something a little different this week. Your assignment is to RACK UP THE POINTS! Look for the assignment with the title **Rack Up the Points** in Teams. Your job is to choose which activities to complete to earn as many points as you can. All of the activities are worth different point values. Do as many or as few as you would like – **just make sure you meet the goal of 50 points**. If you earn more – this is your chance to make up for some missed assignments or earn more points in place of some upcoming assignments. For example – let's say you choose to complete 3 activities for a total of 100 points. You needed 50 for this week's assignment so – the other 50 points can make up for work that you maybe forgot to turn in last week, etc.

To turn in work for this assignment, fill out the form in Teams titled RACK UP THE POINTS Results.

1. **Fill out the practice record in teams titled Baker Orchestra Practice Record Week 8.**
2. **Fill out the Rack Up the Points Results form in teams.**
