Go to [Baker Orchestra Teams Folder](#) (Baker Orchestra). Look for assignment: BAKER ORCHESTRA – WEEK 1

1. Get your instrument out and play! Play for a family member. Give a concert from your driveway (6 feet away from all audience members, please!) Spread some joy by adding music to someone's daily life.

** If your instrument really, really needs to be tuned, check out this tutorial for some step by step instructions. It's geared towards violins, but you can use the same principals for other instruments. She even includes a link to a free tuning app.
