**Objectives**

I can calculate the volume of right rectangular prisms with positive rational number dimensions using a formula.

**Student Activities**

## Baker Math Outreach Learning

March 25 - 27, 2020

1. Watch the [Volume of Rectangular Prisms Video](#) and look at the notes from [Everything You Need to Ace Math- Volume](#).
2. Go to [Khan Academy Volume Practice](#) and complete the practice questions. These problems involve mixed numbers and improper fractions.
3. Log into [Get More Math](#) and complete the volume lesson. Your goal is 10 points, your grade will come from whether or not you have met your goal.  
**Username:** lastnamefirstinitialID#  
**Password:** 4 letter 4 number computer password
4. Extension Activity (Optional): Print or copy [Volume & Measurement Activity](#). Take a picture of the completed activity and upload it to TEAMS or e-mail it to me.

### Academic/Instructional Support

Schedule: Math assignments will be uploaded on Tuesdays and Thursdays.

Office Hours: Mon.- Fri. 8:30-10:30 isidorit@lpisd.org

Teacher Support – I will be available for direct support during my office hours. You may contact me on TEAMS daily until 4 P.M., any questions after 4 P.M. will be answered the following day.

### To Be Graded

Assignment for students to submit:

1. Get More Math- goal 10 points

When is it due? Friday, March 27, 2020 by 8 P.M.

What assignments will the student submit?

1. Your assignment will be completed and graded in Get More Math. There will not be anything to submit.
