Hey Everybody!

First and foremost, this week is your week to make sure you've caught up on all your assignments. If you feel behind and overwhelmed, start with Rack Up the Points from last week and try to earn some extra points to make up for something that you've missed. If you're all caught up, great! No additional work for you, other than what's listed below.

You have two additional things you need to accomplish this week.

1. **IF YOU HAVE A BAKER INSTRUMENT** – make plans to drop it off in the gym on May 18 and 19 between 4-6 PM. Wear a mask and make sure everything (shoulder rest, rockstop, rosin) is in the case.  
\*\*\*\*I will be placing belongings left in instrument lockers in bags to be picked up during this time, so if you left anything in the orchestra room before Spring Break, it should be ready for you to pick up. IF YOU ARE UNSURE whether or not you have a Baker instrument, please contact me before you come. I can look it up and let you know. It's all cellos and basses and just a few violins and violas.
2. **Fill out the END OF THE YEAR survey under the assignments tab in Teams.**
